\$225 per team (after 10/1/23 \$250)

A portion of the proceeds from this tournament is to benefit Wounded Warriors in Action. Wounded Warriors frequently return home after serving our Nation different than when they left - life in general and their personal and professional lives have changed dramatically. We, along with WWIA strives to show these Heroes that they can still experience and accomplish milestones in their life in similar fashion - no matter their current circumstances.

WWIA encourages American Heroes to get back in Action - all while forging and strengthening heartfelt, strong relationships with WWIA Associates and local American Sportsmen - showing a truly grateful and supportive Nation. Together, with your support, we will build a Foundation that stands the test of time and serves as a constant reminder of our commitment to the Wounded Warrior healing process. With your assistance, WWIA will succeed in aiding the Wounded Warriors in overcoming insurmountable odds and repay a debt of gratitude for the great sacrifices they've made.

Meet Lieutenant Colonel John J. McDaniel
Founder and CEO of Wounded Warriors In Action

Please support our veterans.
Last year we raised \$5300 for WWIA
